ENTHUSIASTIC STAFF

“There is no doubt that FOCP’s mission inspires our team to reach for new heights. Working with our broader community to accomplish the shared goal of feeding and fueling area youth propels that passion and commitment to our work further. Together, we ensure hunger is not a barrier to success.”

-Sheri Sander-Silva, Executive Director, FOCP

EXCEPTIONAL VOLUNTEERS

“Participating regularly in FOCP’s BackPack Food Program provides our team an opportunity to connect outside of work while playing a small role in tackling food insecurity for our local area students. The number of meals we pack monthly underscores how many students rely on FOCP for adequate nutrition.”

-Matthew Holt, US Bank employee & standout volunteer

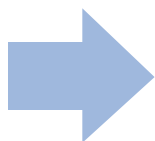

CHARTING NEW COURSES

Even with COVID-19 making life unpredictable, we found ways to **strengthen**, **innovate** & **chart** new courses to feed youth in our community.

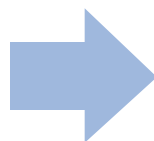

The Emergence of a High School Program

A need was expressed for a 9-12 program

Thanks to pandemic funding, a pilot was born

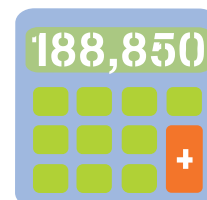

students grade 9-12 now have access to consistent food

To fill COVID-related service gaps, we started the **SummerTime Outreach Meal Program**

541 lunches served at food-desert locations

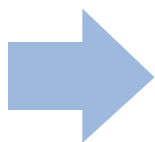

pounds distributed in partnership through the COVID Food Assistance Program

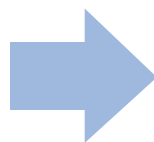

We developed contactless deliveries during the 20-21 school year which created a new, more efficient path for the future of Winter Break Deliveries

1 month of food gets packed at FOCP

Individual volunteers pick up 12-16 boxes

Volunteers drop off boxes at enrolled youth's homes

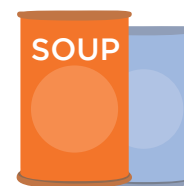

For the first time in FOCP history, students in the Backpack & Power Pack programs were **automatically** enrolled in the Summer Pack Program, eliminating a barrier to enrollment

2019 - **340** students

2020 - **451** students

2021 - **860** students

FANTASTIC FACULTY

“Food is a basic need that many of us take for granted. I have personally witnessed students open their locker and breathe a sigh of relief seeing the food pack inside. I have also seen big smiles and excitement for what’s inside. As a school social worker, I get to see first hand the impact this program has on our students and families. Thank you for all you do!”
-Tiana Iverson, School Social Worker at Franklin Elementary

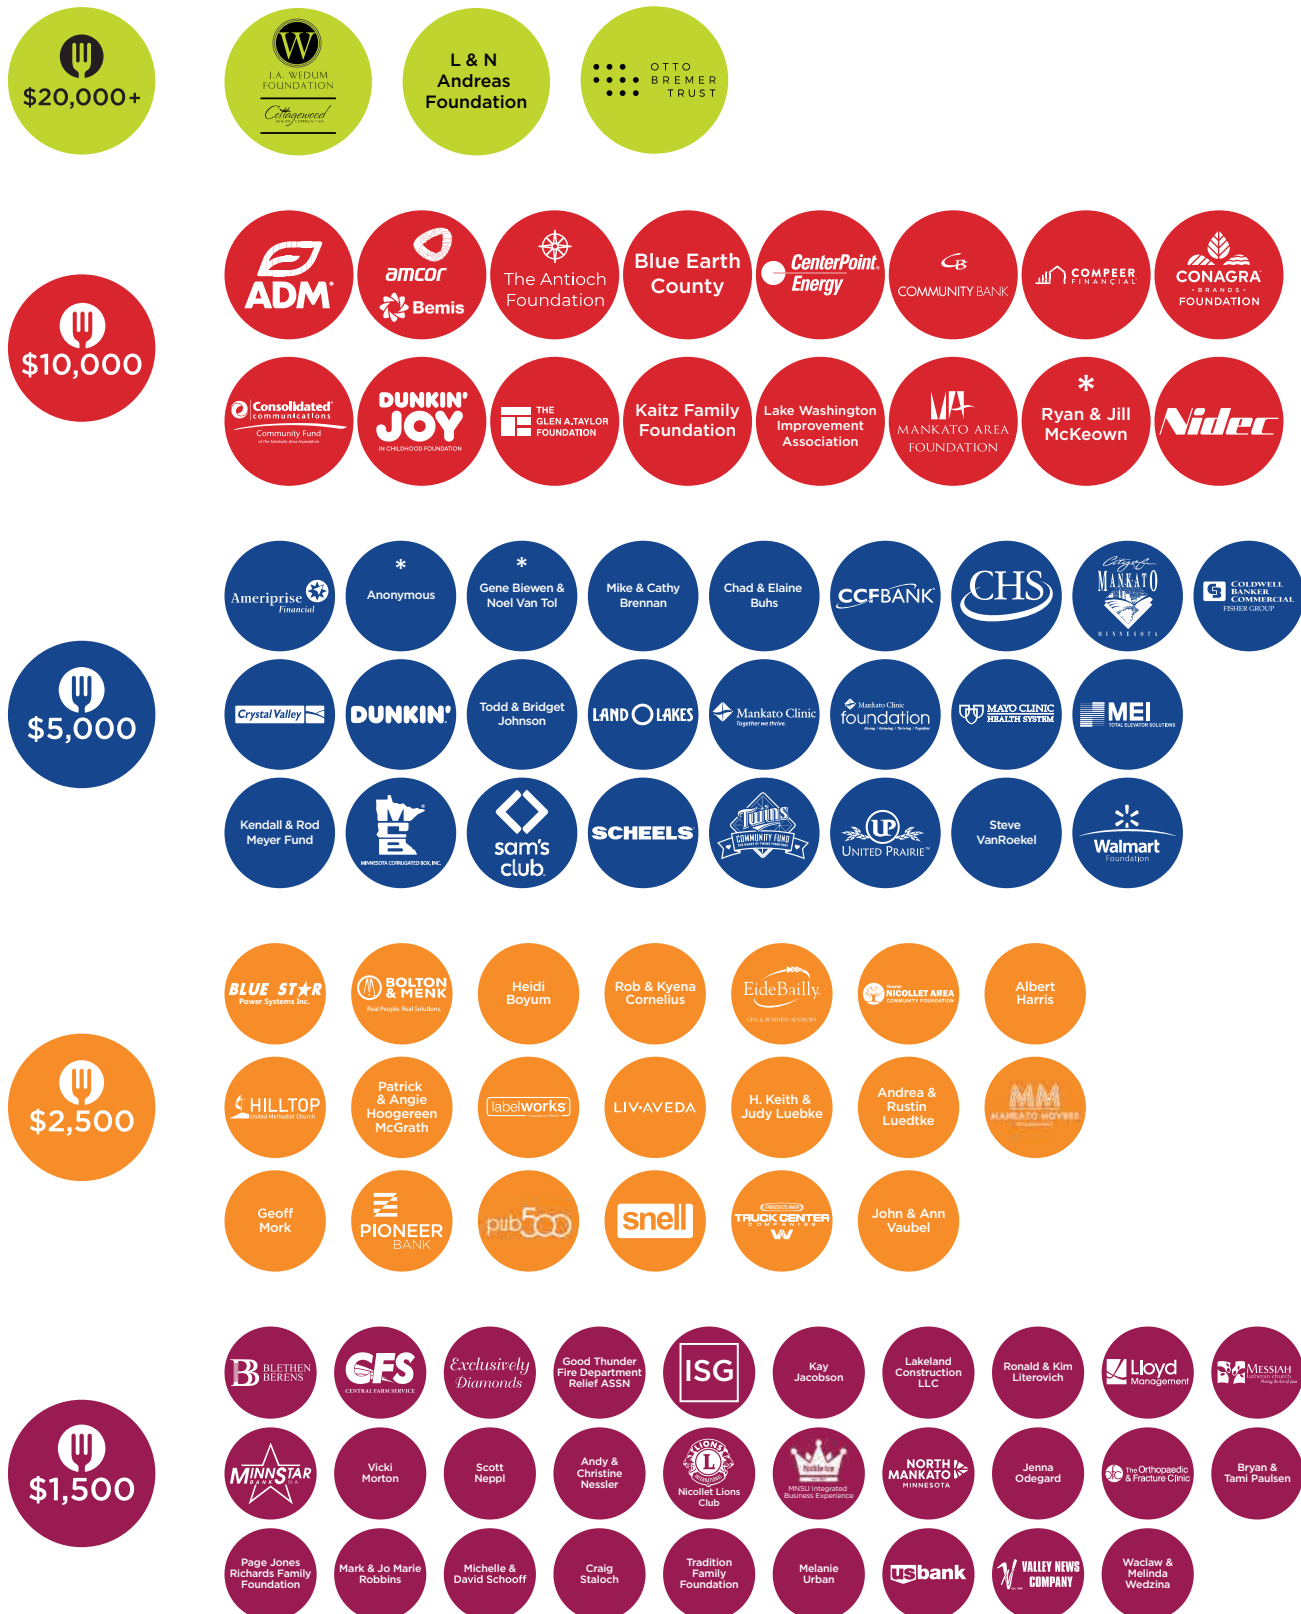

SUPERSTAR SUPPORTERS

“I’ve been involved with FOCP in a variety of ways since it started. I’m still a supporter because the program positively impacts the lives of so many in our communities. Food is love in our home, so supporting food stability for kids in our area is really important to us.”

-Leslie Vermillion, FOCP Board Member & Hunger Hero

FUELING PARTNERS
